

Matthew Hannan

Junior Planning Animator

Matthew is currently undertaking a Bachelors of Animation at SAE University College, Melbourne. He is a 3D artist with a creative interest in asset production.

Matthew is proficient in the Adobe Creative Suite, Maya and Unreal Engine and has technical skills in sculpting, texturing, material/shader setups, character animation, post VFX and editing, and Retopology/Optimisation.

Reporting directly to GCA's Senior Planning Animator, Matthew is responsible for the development and delivery of key visualisation projects.
